Subject: Disadvantaged Business Enterprise (DBE) Certification Approval

Dear Mr. Villet:

We are pleased to advise you that after careful review of your application and supporting documentation, the San Francisco Municipal Transportation Agency has determined that your firm meets the eligibility standards to be certified as a Disadvantaged Business Enterprise (DBE) as required under the U.S. Department of Transportation (U.S. DOT) Regulation 49 CFR Part 26. This certification is also recognized by all USDOT agencies of California.

Your firm will be listed in the California Unified Certification Program (CUCP) database of certified DBEs under the following specific area(s) of expertise that you have identified on the NAICS Codes form of the Application Package:

<u>NAICS Codes</u>	<u>Description</u>
541430	Graphic Design Services
541613	Marketing Consulting Services
541820	Public Relations Agencies
541910	Marketing Research and Public Opinion Polling
512110	Motion Picture and Video Production

Your DBE certification applies only for the above code(s). You may review your firm's information in the California Unified Certification Program's (CUCP) DBE database which can be accessed at the CUCP website at www.californiaucp.com. Any additions and revisions must be submitted to the San Francisco Municipal Transportation Agency for review and approval.

In order to assure continuing DBE status, you must submit an Annual Update Declaration form (which will be sent to you), along with supporting documentation. Based on your annual submission that no change in ownership and control has occurred, or if changes have occurred, they do not affect your firm's DBE standing, the DBE certification of your firm will continue until or unless it is removed by our agency.

Also, should any changes occur that could affect your certification status prior to receipt of the Annual Update Declaration, such as changes in your firm's name, business/ mailing address, ownership, management or control, or failure to meet the applicable business size standards or personal net worth standard, please notify us immediately. Failure to submit forms and/or change of information will be deemed a failure to cooperate under Section 26.109 of the Regulations.

San Francisco Municipal Transportation Agency reserves the right to withdraw this certification if at any time it is determined that it was knowingly obtained by false, misleading, or incorrect information. DBE certification is subject to review at any time. The firm thereby consents to the examination of its books, records, and documents by San Francisco Municipal Transportation Agency.

Congratulations, and thank you for your interest in the DBE Program. I wish you every business success and look forward to hearing from you if I may be of any assistance to you in this regard.

Sincerely,
